Professional Experience

Rojrz Tech   📍 Karachi, Pakistan
Web Developer   Jan 2024 - Present

`Wordpress` `Elementor` `HTML` `CSS` `JS` `React` `Theme Customization`
`Plugin Customization`

- Worked extensively on front-end development and WordPress customization in an onsite role, ensuring seamless user experiences and responsive designs.
- Collaborated closely with designers, developers, and stakeholders to align project goals, enhance functionality, and deliver high-quality solutions.
- Actively contributed to troubleshooting, optimizing performance, and implementing innovative features to improve overall project efficiency and user satisfaction.

Custom Projects

Lynk   🔗 Github

`Javascript` `NextJS` `ShadCN UI` `NestJS` `MongoDB`

- A full-fledged URL shortener built with Next.js, ShadCN UI, and MongoDB. It offers analytics to track link performance and generates QR codes for easy sharing.

Kinde   🔗 Github

`ReactJS` `CSS` `JS` `Bootstrap` `Swiper` `GSAP`

- A beautifully designed and animated restaurant website using ReactJS, Bootstrap, Swiper, and GSAP. It features a black-themed UI with immersive animations and consists of 7 pages, providing an elegant user experience.

Fauget   🔗 Github

`HTML` `CSS` `JS` `Bootstrap`

- A static agriculture farming website developed with HTML, CSS, and Bootstrap. The design emphasizes clarity and responsiveness to showcase agricultural services effectively.

Palette   🔗 Github

`HTML` `CSS` `JS` `Bootstrap`

- An interior design website created with HTML, CSS, JavaScript, and Bootstrap. It includes 5 pages, presenting a modern and visually appealing layout for interior design inspirations.

Wordpress Projects

Carhub   🔗 Live

`Wordpress` `Elemetor` `Contact Form 7` `Theme Customization` `Plugin Customization`

- A sleek and professional Car Rental Website developed using WordPress, Elementor, Contact Form 7, and Theme Customization. It provides an intuitive booking experience with a well-structured layout and custom plugin integrations.

Heaven Hub   🔗 Live

`Wordpress` `Elemetor` `Contact Form 7` `Theme Customization` `Plugin Customization`

- A stylish and feature-rich Travel Agency Website designed with WordPress, Elementor, Contact Form 7, and Theme Customization. It offers an engaging UI, showcasing travel packages and services effectively.
